

FAMILY ART WORKSHOPS

The Museum's Family Art Workshops are inspired by the exhibition **Joe Karlovec | Private Property**, which features large-scale photo collages of cityscapes and landscapes arranged in a way that interact with our concept of interior and exterior spaces. In the Art Studio, families will have the opportunity to create their own exhibition-inspired photo collages. All supplies are included in the workshop fee. Your family masterpieces will certainly be a wonderful keepsake of your special time in Myrtle Beach and at the Art Museum.

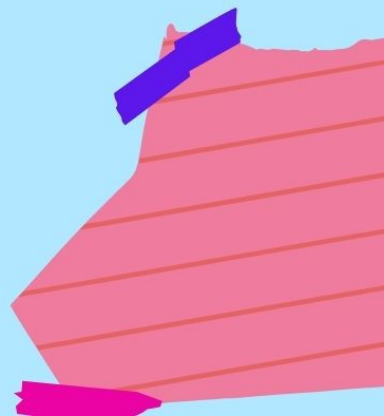

\$10 per family for Museum members

\$15 per family for non-members

**Family Group limited to seven
participants per workshop**
